Commercial Dumpster

Agreement made this _____ day of _____, _____, between the Solid Waste Department of the City of Elberton, a municipal corporation organized and existing under the laws of the State of Georgia, and _____, hereinafter called the CUSTOMER.

WITNESSETH

1. The Solid Waste Department shall deliver any commercial dumpsters.
2. The Customer shall pay the solid waste charges for all services furnished hereunder at the rates and on the terms and conditions set forth here below, or as amended from time to time in the rates and fees schedule of the City of Elberton, such payment shall be made in accordance with the usual and customary billing procedures used for all solid waste billings of the City of Elberton.
3. The Customer shall be responsible for paying the fee per month for a minimum of (1) one month after the date of this agreement first written above, if the dumpster is removed at the Customer's request prior to the (1) one month minimum, then the customer shall pay the entire amount of solid waste charges for a (1) one month period of the contract at the usual monthly rate.
4. Any replacement or repairs, due to normal wear and tear of a dumpster, within the terms of this contract will be the responsibility of the solid waste provider under lease agreement only.
5. Any repairs or replacement of a dumpster, due to physical damage, will be the responsibility of the Customer.
